There are criteria set by Team BJC first of all to be selected to be part of the travelling squad and also to be eligible to receive Team BJC Squad badges. These also are to be sewn onto the front left skirt of your Judogi and are not available to purchase.

BJC International Badge:

If, when representing Team BJC at an International competition, you are skilled and lucky enough to win a medal you may be eligible to apply for a BJC International badge. This badge is unlike all of the others above as it is to be sewn onto the left breast of your Judogi. As these badges are only available to Team BJC medal winners, they are unavailable to purchase.
